Effective immediately the Town has implemented two watering restrictions.

1) State mandated ban - no outside watering between 9:00 A.M. and 5:00 P.M.

2) Mandatory odd/even ban.
   -residents with odd numbered houses can water outdoors on odd calendar days between 5:00 P.M. and 9:00 A.M.
   -residents with even numbered houses can water outdoors on even calendar days between 5:00 P.M. and 9:00 A.M.

These restrictions are mandatory. Your assistance is greatly needed in an effort to avoid total outside usage restrictions.
