### Report of board members

Mike Reynolds adjusted the timers on the lights at Town Park. Also complimented Mike Ledone for installing the Little Library at Town Park. He also reviewed the parking issue at Phillips Field over the weekend with the High School Homecoming games. In the future, the HPC should open the additional grass area for parking when a large event is held here. Mike also mentioned that the board should look into repainting the parking lines at Phillips Field in the spring as they are fading.

Mike Reynolds made a motion to adjourn at 7:20 pm, seconded by Mike Ledone and all were in favor.

Respectfully submitted,

Mary Arcudi  
HPC Clerk
