CODE OF CONDUCT AND ETHICS

Unanimously Adopted by the Select Board on February 28, 2022

1. ENABLING AUTHORITY – MGL Chapter 268A, Section 23 (e)

A municipality may have a Code of Conduct, provided it is consistent with State law and that the Select Board, as the chief appointing officials for the Town, vote to adopt such policy.

MGL Chapter 268A, §23 (e): Nothing in this section shall preclude any ... head of such agency from establishing and enforcing additional standards of conduct.

The Select Board recognizes the importance of professional standards at all levels of the government including those who volunteer their time and services on behalf of the Town. 5. CODE OF ETHICS

5.1 Purpose

This policy is issued for the purpose of ensuring that the Board and all other officials defined in the Applicability section comply with the provisions of MGL Chapter 268A, the Conflict-of-Interest Law, including disclosures made under Sections 19 and 23 and **more stringent policies adopted by the Board herein.**

5.2 Actual Conflict of Interest (MGL Chapter 268A)

The Board and all other officials defined in the Applicability section must understand that there may be times when actions they take could be inconsistent with Conflict-of-Interest laws of the Commonwealth. There may also be times when an appearance of conflict exists.

The official should be proactive in recognizing, disclosing, and acting professionally, with the public trust and compliance of the laws at the forefront of their actions. It is the responsibility of each official to determine for themselves whether to make disclosures prior to acting on a particular matter where a conflict exists or might exist.

5.3 Procedure

- The official in question shall not participate in his/her/their official capacity in matters in which such participation is prohibited by the Conflict-of-Interest Law and the official in question shall disclose in writing the conflict of interest to their appointing authority and this disclosure shall be recorded into the minutes of the meeting
- The member shall leave the room for the duration of the discussion unless advised otherwise by Town Counsel or the State Ethics Commission
- When a conflict or appearance of conflict exists, the chair or presiding officer shall state the reason (s) for the conflict of potential conflict and will ensure that the member does not participate in the matter as a point of order
- The chair or presiding officer of the meeting shall ensure that the reasons for the conflict are clearly stated (as stated by the member in person) and this shall be recorded into the minutes of the meeting and made available for public view; if the member chooses to recuse himself from the meeting and is not present to state the reasons for recusal, then the presiding officer shall verbally enter the member's statement which will be recorded into the minutes
- The member shall re-enter the room only after the discussion has concluded and the chair or presiding officer of the meeting will state, upon re-entering the meeting by the member in question, that member has re-entered the meeting.
- This shall be repeated each time the subject in question is discussed at subsequent meetings
- All officials defined in the Applicability section should seek and adhere to advice from the Ethics Commission, their appointing authority and Town Counsel if necessary (Note: the State Ethics Commission offers free advice via phone or in writing)

5.4 Appearance of Conflict of Interest (MGL Chapter 268A, Section 23)

The Conflict-of-Interest Law provides that public officials and employees must avoid conduct that creates a reasonable impression that any official can improperly influence or unduly enjoy their official favor or that they are likely to act (or fail to act) because of kinship, rank, position or undue influence by any party or person.

MGL Chapter 268A, Section 23 allows public officials to act on certain matters, even if it creates the appearance of a conflict, if they openly admit all of the facts surrounding the appearance of bias prior to any official action.

MGL Chapter 268A, Section 23(b)(3):

(b) No current officer or employee of a state, county or municipal agency shall knowingly, or with reason to know:

(3) act in a manner which would cause a reasonable person, having knowledge of the relevant circumstances, to conclude that any person can improperly influence or unduly enjoy his favor in the performance of his official duties, or that he/she/they is likely to act or fail to act because of kinship, rank, position or undue influence of any party or person. It shall be unreasonable to so conclude if such officer or employee has disclosed in writing to his appointing authority or, if no appointing authority exists, discloses in a manner which is public in nature, the facts which would otherwise lead to such a conclusion.

Under MGL Chapter 268A, Section 1 (definitions), an official may be classified as a “Special Municipal Employee” when such status is authorized by the Select Board. Such a status provides greater latitude for officials serving in multiple roles. However, the Board’s designation of an employee as a Special Municipal Employee will not preclude the expectation that the official must and will avoid conduct which creates a reasonable impression that any official can improperly influence or unduly enjoy their official favor or that they are likely to act (or fail to act) because of financial interests, kinship, rank, position or undue influence by any party or person.

Irrespective of governing statute, the Board urges all members and officials to exercise due diligence with respect to preserving the public trust. At times, this may mean an official or member must not act or participate until the matter has been determined by Town Counsel, the State Ethics Commission or any other governing entity if applicable. That determination will also be made in writing and be made available for public view.

5.5 Procedure

- The member in question must fill out the appropriate disclosure form, available from the State Ethics Commission (www.mass.gov.ethics) or from the Town Clerk
- This form must be submitted to the appointing authority for review
- The member in question shall submit, in writing, all the facts surrounding the potential conflict to their appointing authority
- The member in question shall not participate in the matter until and unless the approving authority has granted written permission specific to the disclosure and has filed a copy of such written permission with the Town Clerk
- The reason for the existence of the potential conflict, the granted permission and the compliance of these guidelines shall be stated by the member before participation and shall be verbally disclosed at the meeting and recorded into the minutes of the meeting
- This shall be repeated each time the subject in question is discussed in subsequent meetings
- It is the responsibility of the chair or presiding officer to oversee the procedure after initiation by the member in question; the chair or presiding officer shall also be

responsible for ensuring that these disclosures are entered into the minutes and are appropriately filed with the Town Clerk for public view

- The Town Clerk shall maintain a separate file of disclosure statements which shall be kept available for public view

6. DISTRIBUTION AND EDUCATION

- The Town Clerk shall provide a copy of this policy to all members as defined in the Applicability section upon its issuance and upon the subsequent appointment of re-appointment of any member
- The Town Clerk shall also maintain and distribute educational materials from the State Ethics Commission to members
- The Town Clerk shall develop a schedule of training programs to educate the Board and members on the Conflict of Interest Law and this policy
- The Town Clerk shall have each member sign a statement that they have read these policies and will comply with all requirements set forth in this policy; this form shall be available for public view

7. ENFORCEMENT OF THE CODE OF CONDUCT AND ETHICS

- The Select Board shall enforce the Code of Conduct.
- Any Select Board member violating the Code of Conduct may be removed from Committee assignments and from Board assignments by the Chair and may be subject to public censure by the Select Board.
- During a meeting the Chair may, after an initial warning, remove a member or citizen from a meeting who acts in an inappropriate manner, is unruly or disorderly
