

The Council on Aging

Meeting Minutes

April 27, 2023

Present – Cheryl Moreci, chair, Carole Mullen, director, Dan Malloy, secretary, Bob Casali, Charles Duczakowski, Dave Guglielmi, Julia Manning, Eileen Milaszewski, Arlene Williams.

The meeting was called to order at 1:10 PM.

Town budget situation – Carole showed a flyer about the override that was sent out with the monthly newsletter. It says that if the override doesn't pass, the Council on Aging will be one of three departments in town that will be eliminated. It also points out that the department provides information on Medicare, transportation, Meals on Wheels, social programming, and administers the senior citizen tax credit program.

Transportation – The department has been making a good deal of use out of the Milford van. Our van, at present being used for errands, usually has two or three riders when it goes out.

Nurse – The home visits by Mary Watson, sometimes accompanied by Nancy Mosher, have been working out very well. It is hoped that the program can be expanded in the future.

May meeting – The next meeting will be held on May 25. That will be a week later than the usual date, but will be held then so that it will be after the override vote.

Respectfully submitted,

Daniel Malloy, secretary
