BOARD OF ROAD COMMISSIONERS
TOWN HALL 78 HOPEDALE ST. HOPEDALE, MA
February 12, 2024
10AM

The Board of Road Commissioners meeting minutes of

Inspection of Adin Street Project on February 12, 2024 at 10am.

Road Commissioners, Highway Superintendent, Town Administrator, and a representative from Tighe & Bond walked the distance of both sides of Adin Street to determine what the Highway Department can do to alleviate expense of installing a walking and bicycling lane. This is a complete street grant project.

It was determined that the Highway Department will:

1. Remove the old asphalt sidewalk and dispose of it, on both sides of the road for the full length of Adin Street.
2. Will also give the sidewalk a rough grade using gravel.
3. Rather than replacing the stonewall and railing, at the high school, the area will be filled in and sloped to the grass area. Then a railing will not be needed.

Other than this work the project will be bid out and that contractor will be responsible for completing the project.
