I am requesting a motion to allow this board enter into Executive Session and not to reconvene in regular session, under M.G.L. c.30A, § 21(a) Reason (1) To discuss the reputation, character, physical condition or mental health, rather than professional competence, of an individual, or to discuss the discipline or dismissal of, or complaints or charges brought against, a public officer, employee, staff member or individual. The individual to be discussed in such executive session shall be notified in writing by the public body at least 48 hours prior to the proposed executive session; provided, however, that notification may be waived upon written agreement of the parties. A public body shall hold an open session if the individual involved requests that the session be open. If an executive session is held, such individual shall have the following rights:

- i. to be present at such executive session during deliberations which involve that individual;
- ii. to have counsel or a representative of his own choosing present and attending for the purpose of advising the individual and not for the purpose of active participation in the executive session;
- iii. to speak on his own behalf; and
- iv. to cause an independent record to be created of said executive session by audio-recording or transcription, at the individual's expense
