12 PROCEDURE; ELIGIBILITY;
EXAMINATIONS

Section 12. The selectmen of every town shall annually, not earlier than July fifteenth nor later than August fifteenth, appoint as election officers for each voting place or precinct, except as provided in section twenty-four, one warden, one deputy warden, one clerk, one deputy clerk, two inspectors and two deputy inspectors, who shall be enrolled voters in the commonwealth, except as otherwise provided in this section. They may, in like manner, appoint two inspectors and two deputy inspectors in addition, and such number of tellers as may be necessary to count the ballots cast. Said tellers shall be appointed for the counting of said ballots at the close of the polls. In the event that the selectmen fail to appoint such election officers on or before August fifteenth, the board of registrars of voters

shall forthwith appoint said officers. The state secretary shall establish a waiver system to allow a town to request to appoint fewer election officers than specified in this paragraph.

The chairman of the town committee of each political party may, not later than June first in each year, file with the registrars a list of enrolled members of such party who desire appointment as election officers. The selectmen shall, not later than April fifteenth of each year, make written notification to the chairman of record of the town committee of each political party that said list must be submitted no later than June first of the same year. Upon the filing of such lists the registrars shall forthwith proceed to the consideration thereof, and shall, on or before June thirtieth submit to the selectmen the names of persons whose names appear on the lists who in their opinion are qualified to act as election officers. The lists submitted by town committees shall contain not more than eight names for each office to be filled. Supplemental lists may be filed with the selectmen and registrars by the said chairman at any time before the appointments are made, for the purpose of filling vacancies which may occur in the original lists. No person shall be appointed as an election officer until he is found qualified to act as such as herein provided. Appointments shall be made from the original list before any names are taken from any supplemental list. All persons listed on the original list who have not been appointed as election officers shall be notified by certified mail of the appointment of a person listed on the supplemental list at least five days prior to such appointment.

If, upon the expiration of fifteen days after notice given in writing prior to June fifteenth in any year by the selectmen to the chairman of any political committee who has not filed original or supplemental lists, and to the

chairman of the state committee of such political party, neither the state nor town chairman shall have filed such lists, the selectmen may appoint as election officers registered voters in the commonwealth, except as otherwise provided in this section and recommended by the town clerk, who in the opinion of the selectmen, are qualified to act as such.

Not more than 2 such election officers may be appointed who: (1) are 16 or 17 years of age; (2) are residents of the commonwealth; (3) are United States citizens when appointed; (4) are able to speak, read and write the English language; (5) have provided a letter from a parent or guardian giving permission for them to serve as election officers; (6) have provided a letter from their school principal giving permission for them to be absent from school to serve as election officers if the election or a training will take place when school is in session or, if home schooled, have provided a copy of the document indicating approval to be home schooled; and (7) agree to attend required training sessions. If an election officer under this paragraph attends a school that encourages or requires community service, serving as an election officer may be considered a community service activity. In no case shall a person 16 or 17 years of age serve as an election officer on the day of an election for more than the number of hours permitted for such a person to work pursuant to section 66 of chapter 149.

The registrars may, if they deem it necessary, conduct examinations of persons whose names appear on the lists filed hereunder. Five days' notice shall be given of any such examination. The chairman of each town committee may appear and be heard either in person or by counsel, during the conduct of such examinations.

Re: Call Firefighter Appointment

Mr. Chairman,

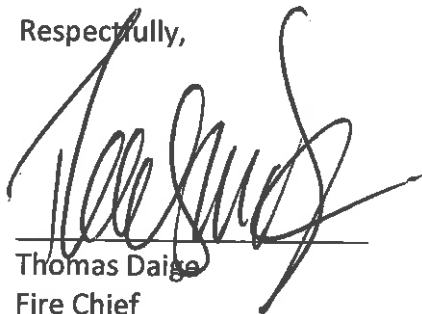

I was approached a few months ago by a Mr. Matthew Berger, a resident of Hopedale, who expressed interest in becoming a member of our department. I am very familiar with Mr. Berger, who was employed with us as a Call Firefighter from 2011 to 2013. He resigned in 2013 to pursue a Career Firefighting job in the town of Wilmington. He has since transferred to the Town of Reading Fire Department where he is currently employed as a Firefighter/Paramedic. Mr. Berger moved back to town in 2016 to raise his children in our community.

We brought Mr. Berger in for a formal interview on August 20th 2018. I have called his references and performed a background check all resulting in positive feedback.

Mr. Berger is a certified Firefighter I/II having graduated from the Career recruit training, and he is also a certified and experienced Paramedic. Both of these certifications will help our department immediately in the need for both experienced firefighters and paramedics. With Mr. Berger's schedule at Reading Fire, his appointment would also help with the staffing shortage during weekday day time hours.

Having one (1) remaining paid Call Firefighter position available, I would like to recommend that the board appoint Mr. Matthew Berger of Hopedale to the position of Call Firefighter.

Respectfully,

Thomas Daige
Fire Chief

TO: Hopedale Planning Board & Board of Selectmen
FROM: Andrea Lettic, Communications Specialist
DATE: July 17, 2018
RE: Appointment of Delegates and Alternates to the Central Massachusetts Regional Planning Commission for FY'19

CMRPC's mission is fourfold: (1) addressing growth and development issues that extend beyond community boundaries, (2) maintaining the district's certification for federal transportation improvement funds, (3) providing technical knowledge and resources to assist local government in addressing specific land use, economic or environmental problems resulting from growth or decline, and (4) building strong working relationships with member communities, state and federal officials as well as the area's legislative representatives. We work to bring millions of dollars in grant funds into our member communities every year.

Delegates and Alternates are a vital link with your planning commission that enables us to deliver support services, to compete for discretionary grant funds, to identify community needs in transportation and land use, and to foster sub-regional cooperation through shared services and procurement. Communities with active Delegates and Alternates fare better in receiving a return on your investment than those who fail to communicate local needs or to link up with our programs. In these financially challenging times, it is critical both for the Commission and for your community to maintain this link.

Representation on the CMRPC is weighted by population for each community in the district. Your community is entitled to one Delegate and one Alternate.

The Delegate is appointed by the Planning Board. ***The Delegate must be a member of the Planning Board and a resident of Hopedale.***

The Board of Selectmen or Town Manager appoints the Alternate. ***The Alternate must be a resident of your community.***

According to our records, the current Planning Board's Delegate is Louis Acrudi. During the past fiscal year, Mr. Acrudi didn't attend any of the Quarterly Commission meetings.

The current Board of Selectmen Alternate is Brian Keyes. During the past fiscal year, Mr. Keyes didn't attend any of the Quarterly Commission meetings.

Through its Delegates, your community has the opportunity to receive direct benefits and shape public policy in a real and tangible way through participation in the various committees established to implement these core focus areas.

Please indicate on the attached form the name of your appointees, including his/her mailing address, phone numbers (home, cell and work) and email address. The completed information should be returned to Andrea Lettic at aletic@cmrpc.org or by the self-addressed stamped envelope enclosed as soon as possible. Equally important, *please encourage your Delegate and Alternate to participate in CMRPC's programs so that we may have a mutually beneficial relationship.*

Please note our Quarterly Meeting dates for Fiscal Year 2019 are as follows:

- *September 13, 2018*
- *November 8, 2018*
- *January 10, 2019*
- *March 14, 2019*

The Annual Meeting is tentatively scheduled for June 13, 2019.

Thank you in advance for your participation and support. If you have any questions, please call me directly at the Commission's office, 508.459.3310.

Sincerely,

Andrea Lettic

Who is the CMRPC?

B.4

Founded by the Legislature in 1963, CMRPC is one of 13 Regional Planning Agencies in Massachusetts, serving the City of Worcester and 39 surrounding communities in the southern two-thirds of Worcester County. We provide a variety of services, conduct studies on a broad range of growth issues and development trends, and deliver a regional perspective to planning and development. Our current program roster includes Transportation, Regional Collaboration and Community Planning, Geographic Information Systems and Homeland Security.

Our mission is fourfold: (1) addressing growth and development issues that extend beyond community boundaries; (2) maintaining the district's certification for federal transportation improvement funds; (3) providing technical knowledge and resources to assist local government in addressing specific land use, economic or environmental problems resulting from growth or decline; and (4) building strong working relationships with member communities, state and federal officials, as well as the area's legislative body.

Central Massachusetts Regional Planning Commission

B-4

Dear Friends and Partners,

CMRPC's mission is to improve the quality of life for those who live and work in the region. The Commission must evolve with the region's needs.

Central Massachusetts is at a turning point in its development. Across sectors, calls to preserve Massachusetts' diverse character are on the rise. Preservation and necessary growth must occur in tandem. As we pursue targeted economic development and improved transportation infrastructure, we must also protect our unique resources, mitigate sprawl, and ensure environmental sustainability.

CMRPC will continue to uphold the programs for which it's best known: transportation, regional collaboration and community planning, and GIS; and we will cultivate other program areas as needed. With an increased demand for planning services, we will continue to grow programs that

help communities work across borders. We seamlessly expand our breadth of service based on need and funding.

I am excited about what is unfolding in our region. Together with our partners, Delegates and Alternates, we will continue to leverage changes to strengthen Central Massachusetts. We will continue to lead the charge while looking to our local governments, State officials, nonprofits, business communities, and the public for collaboration and support. I encourage you to join the journey into the future with CMRPC.

Good Afternoon Kathy,

Attached please find a CMRPC delegate form. In the past, the BOS appointed a delegate and an alternate from the BOS to represent the Town of Hopedale at the quarterly meetings of the CMRPC. This year, the CMRPC is looking to have (1) Planning Board Member Delegate and (1) Board of Selectmen Delegate

The BOS will be the alternate member and will be appointed by the BOS at their September 10 meeting? Can you add item to your September 5 Planning Board meeting, so the Board can vote on a Planning Board member to serve as the delegate.

If you have any questions, please let me know.

P.S. I did set up a Planning Board email with Sandra and sent this document to it. I am not sure if it was ever received, just want to make sure this gets on your agenda.

Thanks.

Sue
