Subject: RE: building permits

Hi Tim,

Per your request, I looked in the building folders for 141 Mendon St, f/k/a 1 Fitzgerald Dr, and there are no building permits for FY20, FY21, or FY22. As for 364 West St, there is no record of any permits in our files. Please reach out with any additional questions. Thank you.

Regards,

Renee Polechronis
