Hi Ed,

The last NMI transport of material at GURR was on April 13, 2023. There are no anticipated future plans to transport NMI material at GURR.

Best,

Hi Kara,

That's great news. Just to clarify -- there are no anticipated future plans to transport to Hopedale at all, or just for the remainder of this phase?

thanks,  
Ed

to me, Bruce, Sarah

Hi Ed,

No future plans, which includes the current and future phases.
