ARTICLE 1
Agreement

Pursuant to the provision of Section 7 of Chapter 150E of the General Laws of Massachusetts, this contract is effective the Friday immediately preceding the first day of school for students in the 2021-2022 school year, between the School Committee of the Town of Hopedale (hereinafter referred to as the Committee) and the Hopedale Education Association, Inc. (hereinafter referred to as the Association).

ARTICLE 2
Committee's Statutory Position

The Committee is a public body established under, and with the powers provided by the statute of the Commonwealth of Massachusetts, and nothing in this Agreement shall be deemed to derogate from or impair any power, right, or duty conferred upon the Committee by statute, or any rule specifically provided for in this Agreement. The Committee retains all the inherent powers, rights, and duties that it has by law, and may exercise the same at its discretion, without any such exercise being made the subject of a grievance hereunder.

ARTICLE 3
Scope

For the purpose of collective bargaining with respect to wages, hours, and other conditions of employment, negotiations of collective bargaining agreements and any other questions arising there under, the Committee recognizes the Association as the exclusive bargaining agent and representative of all full and part-time professional employees (as such employees are defined in Section 1 of Chapter 150E of the General Laws of Massachusetts; except as noted below) of the School Department of Hopedale who have been grouped into the following separate unit for the purposes of collective bargaining pursuant to Section 3 of Chapter 150E of the General Laws of Massachusetts. Unless otherwise indicated, the employees noted below will be referred to as "Unit A members" throughout this agreement.

Unit A: All certified teachers and specialists, library/media specialists, reading specialists, Title 1 math specialists, school psychologists, adjustment counselors, guidance counselors, nurses, special education team chairpersons, department heads in the preschool, elementary and junior high and senior high school.

ARTICLE 4
Compensation

Salary becomes applicable on the effective date of this Agreement, the Friday immediately preceding the first day of school for students in the 2021-2022 school year, to the employees covered by this Agreement and shall be as provided by the attached salary schedules and the following provisions.

Stipends: Stipendiary positions will be paid in accordance with the attached stipend list. The parties acknowledge that they had the opportunity to fully bargain the attached stipend list and hereby waive any and all rights to negotiate additional stipends and/or increases in the stipend amounts throughout the term of this contract.

Benefits including, but not limited to, health insurance at an 80% Town/20% employee split, dental insurance, disability insurance, and flexible spending accounts, will be offered at the same terms as the Town provides to all employees.

ARTICLE 5
Duration

This contract shall become effective the Friday immediately preceding the first day of school for students in the 2021-2022 school year, and shall continue in effect until the Thursday immediately preceding the first day of school for the students in the 2024-2025 school year, and shall thereafter renew itself for a further term of one year unless, by the third Tuesday of September 2023, either the Committee or the Association shall have given the other written notice of its desire to terminate the Agreement.

ARTICLE 6
Grievance Procedure

A grievance is defined to be a question, problem, or disagreement, which arises concerning, 1) the interpretation or application of any provision of this Agreement, or 2) an alleged violation of any provision of this agreement. A matter which is not specifically covered by a provision of the Agreement, or which is reserved to the discretion of the Committee by the terms of the Agreement, may not be the subject of a grievance under this Agreement. The purpose of the procedure set forth hereafter is to produce prompt and equitable solution to those problems that may arise from the application and interpretation of this Agreement.

Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each level should be considered as a maximum and every effort should be made to expedite the process. The time limits specified may however, be extended by written, mutual agreement.

In any event, if a grievance is filed on or after June 1, all parties involved will make every effort to reduce the time limits set forth herein so that the grievance procedure may be exhausted prior to the end of the school term or as soon thereafter as possible.

Formal Procedure – If at the end of twenty (20) school days following the event that precipitates the grievance, or the date of first knowledge of its occurrence by any employee affected by it, the grievance is not presented at Level One of the procedure set forth in this Section, the grievance shall be waived; and any grievance in course under procedure shall also be deemed to have been waived if the action required to present it to the next level of a procedure shall not have been taken within the time specified therefore in this section.

Level One - An employee with a grievance will first present it in writing to the building principal or immediate supervisor with or without the Association's School Representative, with the objective of resolving the matter informally.

Level Two- If, at the end of ten (10) school days next following such presentation, the grievance is not resolved to the employee's satisfaction, the employee may, within five (5) school days thereafter, file a written statement of grievance with the Superintendent. The employee may file a copy of the grievance with the Chairman of the Association's Professional Rights and Responsibilities Committee if they so desire. Within ten (10) school days after receipt of the grievance, the Superintendent will meet with the employee in an effort to settle the grievance.

Level Three- If the employee is not satisfied with the disposition of his/her grievance at Level Two or if no decision has been rendered within ten (10) school days after he/she has first met with the Superintendent, he/she may file the grievance in writing with the Chairman of the Professional Rights and Responsibilities Committee within five (5) school days after a decision by the Superintendent, or fifteen (15) school days after he/she has first met with the Superintendent, whichever is sooner. Within five (5) school days after receiving the written grievance, the Chairman of the Professional Rights and Responsibilities Committee will refer it to at least three members of the School Committee, appointed by the Chairman. Within ten (10) school days after receiving the written grievance, the School Committee will meet with the employee and the Chairman of the Professional Rights and Responsibilities Committee if the employee so desires, for the purpose of resolving the grievance.

Level Four- If the grievance is not resolved to the satisfaction of the employee and the Association with ten (10) school days of the meeting with the School Committee as required by Level Three above, the Association may, within ten (10) school days, submit the grievance to binding arbitration. The Association shall notify the Committee in writing of its intention to arbitrate within the aforementioned ten (10) school days.

In the event the Association submits a grievance to arbitration, the arbitrator shall be selected according to and governed by the following procedure: The arbitrator is to be mutually selected by the Committee and the Association. If the Committee and the Association cannot agree within ten (10) school days after written notice specified above of the intention to arbitrate, then the party demanding arbitration shall, within ten (10) school days thereafter, request the American Arbitration Association to provide a panel of arbitrators. Said arbitrator is then to be selected under the provisions of the Voluntary Labor Arbitration Rules, now, or hereafter, in effect. The Voluntary Labor Arbitration Rules shall also govern the procedure at any arbitration hearing.

The fees of the American Arbitration Association and of the arbitrator and the expense of any required hearing shall be shared equally by the Committee and the Association, but each party shall bear the expenses of its representative, participants, witnesses, and for the preparation and representation of its own case.

The Arbitrator's award shall be in writing and shall set forth his finding of fact with reasoning and conclusions. The Arbitrator shall arrive at his decision solely upon the facts, evidence, and contentions presented by the parties through the arbitration proceedings. The arbitrator shall have no power to add to, subtract from, or modify any of the terms of this Agreement. Subject to the foregoing, the decision of the arbitrator shall be submitted to the School Committee and the Association and shall be final and binding upon the Committee, the Association, and the Unit A Member or group of Unit A Members who initiated the grievance.

The parties may, by mutual agreement, submit more than one pending grievance to the same arbitrator.

Chapter 186 of the Acts of 1988 shall not apply to any provisions of the grievance procedure referenced above.

The Superintendent's decision to allow a teacher to rescind a notice of retirement under this provision shall not establish any precedent or past practice between the Committee and the Association as to future requests. The Superintendent's decision is final and not subject to the grievance and arbitration provisions of the collective bargaining agreement.

If a Unit A member plans to retire having served the district for a minimum of 20 years of continuous service (an approved leave of absence does not constitute a break in service), submits a written request to the Superintendent by June 30th of the preceding year, and retires at the end of a school year, the employee is entitled to a \$3000.00 lump sum payment.

At no point shall the Sick Leave Bank contain more than three (3) times the number of members in the Bargaining Unit. Sick Leave Bank days unused in one school year will be carried over into the next school year and will accumulate from year to year. By October 1 of each following year, the Association shall notify the Bargaining Unit A members and the Superintendent of the initial yearly contribution to be made to the Sick Leave Bank by the Bargaining Unit A Members.

3. Those members who, during the course of the year do not have a sufficient number of days to cover an additional sick day contribution requested by the Association will be allowed to borrow from the succeeding year and then repay the district in the succeeding school year. In the event an employee borrows from a succeeding school year and leaves the district prior to repaying said days, the number of days owed the district will be deducted from the sick bank.

4. A Sick Leave Bank Board consisting of five members will administer the Sick Leave Bank. Two members will be designated by the School Committee to serve at its pleasure, and two members will be designated by the Association to serve at its pleasure. The fifth member will be appointed annually on a rotating basis, by the first day of the school year on which Unit A Members are required to report for work, by the Committee or the Association. The rotation will be determined according to the fiscal year calendar with odd years indicating a School Committee member and with even years indicating an Association member.

5. Any initial grant by the Sick Leave Bank will not exceed thirty (30) days. If an individual's need continues, reapplication to the Sick Leave Bank Board may be made for subsequent extensions up to a maximum of thirty (30) days each. Days not used from the sick leave grant will be returned to the Sick Leave Bank upon the return to regular duty. The total amount of days that may be drawn for any one illness or disability may not exceed 180 days.

6. A Bargaining Unit A member who has received a grant from the Sick Leave Bank will upon return to regular duties, receive five (5) sick leave days from the Sick Leave Bank to be used in the event of an illness during the remainder of the school year. Unused days from the returning five-day grant will be returned to the Sick Leave Bank on the last day of school.

7. Subject to the provisions of this contract, the Sick Leave Bank Board will use the following criteria in administering the bank and determining eligibility and the amount of leave to grant. Adequate medical evidence should include diagnosis and prognosis of serious and/or prolonged illness or injury and expected date of return. The Sick Leave Bank Board reserves the right to request additional medical evidence from

a physician of his or her own choosing. The School Committee will pay for this cost. This information will remain confidential with the Sick Leave Bank Board.

After an initial grant of thirty (30) days to a member, the Sick Leave Bank Board may have the applicant examined by a second physician selected by the Sick Leave Bank Committee, and paid for by the School Committee. The Sick Leave Bank Board may ask for additional medical verification, as it deems necessary.

8. The decision of the Sick Leave Bank Board with respect to eligibility and entitlement shall be final and binding and not subject to appeal except for reconsideration to the Sick Leave Bank Board itself nor shall it be subject to grievance and/or arbitration.

ARTICLE 16 Advanced Degrees and/or Lateral Transfers

Unit A Members receiving mid-year advanced degrees shall be entitled to a lateral salary move on the salary schedule provided that they comply with the following conditions:

1. Notify the Superintendent in writing before October 15 that they will receive an advanced degree or sufficient credits for transfer on a date, which must be after January 1 and prior to March 1 of the following year.
2. Payment of a lateral salary change will be effective at the receipt of documentary evidence in the form of their degree certificate or evidence of sufficient course credits to the Superintendent of Schools.
3. The lateral pay increase shall be effective in either January or August/September not later than the second pay period following receipt of documentary evidence by the Superintendent of Schools, as indicated in #2.
4. Unit A Members expected to get a degree at commencement or who will qualify for additional course credits after March 1 shall notify the Superintendent of Schools on or before March 15 of such change in degree status. Such employees shall present to the Superintendent the same documentary evidence required in #2 above, and their salary increase shall be effective no later than the first pay period of the school year following receipt of said documentary evidence of degree. Failure to provide said required notice on the date specified will require that the Unit A Member wait for the next available transfer payroll days which may be either the following February 1 or September 1.
5. Lateral movement from one lane to another is intended as a sequential process. Therefore, transfer to a "degree" or "degree plus" honor lane (M to M+15 to M+30) will be based on credits obtained subsequent to the receipt of the degree on which the schedule is based (e.g. to move from M+15 to M+30, all credits for transfer must be earned after completing of courses qualifying for M+15).

ARTICLE 17 Reimbursement of Expenses

All pre-approved, out-of-pocket expenses shall be reimbursed within thirty (30) business days of submission of request by the Unit A Member, provided that documentation is provided.

ARTICLE 18 Deductions

Unit A members shall notify the Superintendent's Office of the amount to be deducted from their salaries for insurance plans. The School Department shall inform the Town Treasurer of these deductions unless the Treasurer certifies that he/she will not provide the service. The amount of any such deductions shall not change without prior written approval of the Superintendent of Schools and only for good and sufficient reasons in the sole judgment of the Superintendent. Any staff member shall be allowed to enter or leave

the group medical insurance plan without restriction except as prohibited by law, the Treasurer's Office, or the insurance provider. The parties to this agreement understand that all payroll deductions, including but not limited to taxes, retirement contributions and premiums, are processed by the Town Treasurer's Office.

ARTICLE 19
Payment of Union Dues

The Town will deduct through payroll deduction the HEA, MTA and NEA dues from the earnings of any employee recognized in this Agreement. All unit employees are eligible to join the Association. The person electing dues deduction from his/her salary shall specify at the time of election whether the deduction shall be in one lump sum or ten equal installments over the period of the school year. The withheld amount will be forwarded to the Treasurer of the HEA, as soon as practical following the actual withholding, together with a record of the amounts and names of those for whom the deduction has been made.

ARTICLE 20
Vacancies and Promotions

1. The Superintendent shall post in all school buildings and shall send to the Association notices of promotional positions as they occur. During the summer recess, notice of any job opportunities will be posted on the school web site and communicated directly to Unit A Members via the school department's email system.
2. Such notice shall include a statement of minimum requirements, salary range, and the date by which candidates must apply in writing.
3. No promotional vacancies, except in cases of emergency, shall be filled on a temporary basis until such vacancy shall have been posted at least ten (10) days. An emergency appointment shall not extend beyond one hundred twenty (120) days.

ARTICLE 21
Change in Assignment

1. When changes in Unit A Members' assignments and/or a reduction in staff are necessary, a Unit A Member's area of competence, major or minor field of study, quality of the Unit A Member's performance and length of service in the Hopedale School System shall be considered.
2. In the event of a Reduction in Force within Unit A, normal attrition will be the first method used to reduce the number of positions in those classifications and/or departments in which reductions are necessary. This includes Unit A Members who resign, retire, or who otherwise terminate their employment.
3. In a R.I.F. situation, a non-professional status Unit A Member will not be renewed if a professional status Unit A Member is certified and qualified to fill that position.
4. Whenever the contract of a professional status Unit A Member is to be terminated by the employer, notification of such intent shall be given according to the provisions of MGL, Chapter 71, and section 42. If, upon receipt of said notification of proposed termination, the Unit A Member elects to apply for an unpaid leave of absence, the Unit A Member, prior to the date of the meeting set for consideration of termination, may apply to the employer in writing, on a form provided by the Superintendent for placement on unpaid leave of absence. If the reason for termination is solely due to economic factors, the Superintendent shall grant leaves of absence for a period not to exceed two (2) years and the effective date of the termination of the Unit A Member's contract shall be determined by the Committee to be the first day following the expiration or termination as provided herein of the Unit A Member's unpaid leave of absence. In applying for unpaid leave of absence, the Unit A Member agrees to waive all rights to a hearing,

now or in the future, or to an appeal of the employer's decision. In return for said waiver, the Superintendent agrees to grant said leave absence and to extend recall rights to said Unit A Member.

5. No Unit A Member will be disciplined, dismissed, reprimanded, reduced in rank or compensation, or deprived of any professional advantage without just cause. The parties agree that this provision does not apply to the non-reappointment of non-professional status Unit A Members.

6. If an appropriate position becomes available in the school system for which a Unit A Member on the recall list is certified and qualified, the Superintendent shall notify the Unit A Member of the available position by certified mail at the Unit A Member's current address as it appears on the school records. A copy of such letter of notification shall be sent to the Association President.

7. If the reasons for termination are not economic, the Superintendent may decline to grant any leave of absence and proceed as provided in the notice. Such denial of leave shall not be subject to a grievance.

8. Recall rights shall include the placement of a Unit A Member's name on a recall list for a period not to exceed two (2) years from the date of termination. The recall list shall be developed and maintained by the Superintendent of Schools with a current copy to be provided the Association President with all employees listed in numerical order according to the date of their entry onto the recall list.

9. A Unit A Member on the recall list to whom such notice is sent shall have fourteen (14) calendar days from the date of the receipt of notification as evidenced by the return card to notify the Superintendent in writing of the acceptance of the position and shall execute a contract therefore within ten (10) days after notification that is ready for signature or at such other time that the Unit A Member and Superintendent mutually agree in writing.

10. Failure of the Unit A Member to respond to the Committee's notification or to accept the position within the stated time periods, or having indicated acceptance of the position failing to execute a contract within the time period as agreed, shall effectively terminate the Unit A Member's unpaid leave of absence and recall rights. Said Unit A Member shall be deemed terminated from the Hopedale School System as provided herein above and Unit A Member's name shall be removed from the recall list.

11. It shall be the Unit A Member's obligation to keep the school system and the Association advised of their current mailing address and telephone number.

12. Any Unit A Member recalled under this clause shall be placed on the next salary step the Unit A Member would have achieved if the Unit A Member had not been on leave of absence and shall be restored, upon return, all benefits and entitlements both accrued and owing under the contract at the effective date of the leave.

13. The professional status of any recalled Unit A Member shall not be affected by their election to go on unpaid leave and the contract that they will be extended upon recall shall be a discretionary contract upon the approval of the employer. All seniority rights will be restored as of the date of their entrance onto leave. The period spent on unpaid leave of absence shall not be considered for any benefits based upon length of service or seniority.

ARTICLE 22 Duty-Free Lunch

Each Unit A Member shall be provided a daily, uninterrupted, duty-free lunch period of at least twenty-five (25) minutes. In the event that a Unit A Member is required to cover a lunch period, arrangements will be made to mitigate the impact of the intrusion and the affected Unit A Member will be provided with administrative remedies.

Unit A Members shall be allowed to leave the school grounds during their duty-free lunch period provided they notify their principal's office staff of their intent to leave the grounds prior to departure. Unit A Members leaving school grounds must return in time to resume their normal scheduled duties in the time and manner required of them.

In addition, elementary teachers will be provided a fifteen (15) minute daily duty-free recess period. The building principal will schedule said period.

ARTICLE 23
Non-Teaching Duties

The School Committee and the Hopedale Education Association, Inc. acknowledge that a teacher's primary responsibility is to teach. Therefore, classroom teachers will not be routinely assigned:

- a) Playground duty
- b) Inclement weather indoor recess duty

As circumstances occur that require the teacher's performance of these duties, the teacher shall be provided with an equal amount of duty-free time.

ARTICLE 24
Preparation

All elementary classroom teachers shall be provided with preparation time each day in accordance with Article 13 herein.. In extenuating circumstances, the principal may require a teacher to remain with his or her class during a scheduled prep period. When such circumstances exist, or when a scheduled prep period is missed due to attendance at mandatory meetings, arrangements will be made to provide relief, in terms of making up missed prep times.

Administration recognizes that prep time is important. Every attempt will be made to give adequate notice prior to the utilization of elementary prep time.

ARTICLE 25
Class Size

The School Committee agrees to revise its class size policy to include consultations with a committee appointed by the Association to solicit said committee's input and recommendations in situations where class size will exceed School Committee policy. Elementary class size shall be equitable, whenever possible.

ARTICLE 26
Health and Safety

The Committee and the Association affirm their commitment to the maintenance of an environmentally safe school system and an atmosphere conducive to teaching and learning. To those ends, the parties agree as follows:

1. A Health and Safety Committee (HSC) will be established consisting of 2 representatives appointed by the School Committee and the building representatives of the Association.
2. Individual concerns regarding matters of health and safety shall, where applicable, be brought to the immediate attention of the building principal.

3. The HSC shall meet at least twice a year with all building principals and Association building reps to hear concerns regarding issues of health and safety and, where appropriate, investigate such matters. In the event that the HSC determines that the investigation requires specialized services, which can only be provided by an outside agency, the HSC shall request that the School Committee approve the cost of such services. Reports of the HSC shall be presented to the School Committee, which shall take such reports under consideration and take such action, as the School Committee deems necessary. The HSC will be informed as to the disposition of the matter within sixty (60) days of referral to the School Committee. If needed the HSC may meet more often than quarterly, if the need exists in order to address concerns in a timely fashion.

The School Committee recognizes that matters of discomfort to employees that do not necessarily rise to the level of serious health or safety hazards are still important. It will make a reasonable effort to remedy negative environmental factors in the work place.

The School Committee, through the Superintendent, agrees to make a timely response to employee reports of unsafe, unhealthful, uncomfortable, or unclean working conditions that are brought to the attention of the building principal. Employees shall be guaranteed protection from any restraints, interference, coercion, discrimination, or reprisal for filing a report regarding any aforementioned issues in this article.

ARTICLE 27 Personnel File

Upon request, a Unit A Member shall be given access to his/her file in the presence of the Superintendent or his/her designee, and may also have one representative of the Association present. No materials originating after original hiring, derogatory to a Unit A Member's conduct, service, character or personality, will be placed in the personnel file unless the Unit A Member has been shown a dated copy. The Unit A Member shall be given the opportunity to review such materials and shall acknowledge such review by affixing his/her signature to the copy to be filed with the express understanding that such signature in no way indicates agreement with the contents thereof. Refusal to sign the document shall in no way preclude the employer from placing the item in the file. The Superintendent, or his/her designee, shall sign a statement showing the date and time that item was presented to the employee for signature and that the signature was refused. The Unit A Member shall also have the right to submit a written answer to such material and his/her answer shall be reviewed by the Superintendent or his/her designee and placed in the file.

ARTICLE 28 School Calendar and Length of School Year

The Hopedale School Committee hereby states its position with respect to establishing the length of the school year.

The School Committee is subject to the regulation of the State Board of Education that currently states that there shall annually be a minimum of one hundred eighty (180) days of school with pupils and teachers physically present. Members of this Unit are expected to work 181 days unless specified differently by individual contract. Both parties agree to the possibility of adding up to three (3) in-service days at the per diem rate, as finances allow. Furthermore, the Committee shall schedule one hundred eighty-five (185) days to allow for emergency closings due to stormy days, illness, or other unexpected conditions.

The Committee, after having tentatively drawn up a school calendar, agrees to submit it annually to officers of the Hopedale Education Association for inspection and to suggest changes prior to final adoption.

If school begins prior to Labor Day, the Friday before Labor Day will be a no-school day. The Monday before Labor Day will be an orientation day for the staff.

Certain employees included in this Agreement have an obligation to work additional days at a per diem rate. Specifically, Guidance Counselors are required to work ten (10) days beyond the teachers' school year (based on a 1.0 FTE and prorated for less than full time employment); Special Education Team Chairpersons are required to work ten (10) additional days (based on a 1.0 FTE and prorated for partial FTE's); and, if a building principal requests, the building Nurse is required to work up to three (3) days beyond the school year (based on a 1.0 FTE and prorated for less than full time employment).

ARTICLE 29
Substitute Teachers

The School Department will make every reasonable effort to obtain qualified substitute teachers for members of the staff who are absent, provided the Department has adequate notice that a staff member will be absent.

If it becomes necessary for the principal to assign Grades K-12 Unit A employees to provide classroom coverage during planning time, they will be paid \$40 for coverage of one class period up to one hour.

ARTICLE 30
Study Committee

The School Committee and the Hopedale Education Association (HEA) agree to form a sub-committee of both groups to meet from time to time to discuss matters of common concern to both. The sub-committee is to consist of not more than five (5) members from each group. Said sub-committee shall meet from time to time as said committee deems necessary, it being agreed and understood that said committee does not have the right to enter into collective bargaining negotiations and that any agreement or discussions shall not prejudice the future position of either group when this contract is reopened. The School Committee may designate a duly authorized agent to represent them.

The Committee and the HEA agree to form a study committee(s) as needed as mutually agreed upon. Both sides will present products of such committee work to the membership for approval. Upon approval, this contract will recognize that product as an addendum to this contract. Current addenda include:

- a. Evaluation
- b. Grade Level Leaders, Curriculum Leaders, and Department Head Stipendiary positions

ARTICLE 31
Job Sharing

Job sharing is defined as the allocation of all duties of one full-time teaching position between two (2) Unit A Members within the school system such that the cost of job sharing does not exceed the cost of one Unit A Member. The division of these duties shall be in accordance to the terms set forth below.

Application: Unit A Members interested in job sharing shall jointly submit a job-sharing proposal to the appropriate building principal no later than April 15 of the school year preceding the school year during which the job is to be shared.

Granting: The proposal shall be reviewed by the building principal and the Superintendent who shall notify the Unit A Members of their decision, with reason for granting or denying, no later than May 31. The decision whether or not to allow job-sharing proposal shall not be grievable or arbitrable.

- b. Both Unit A Members will attend Open House.
- c. Both Unit A Members will attend all Parent/Unit A Member Conferences.
- d. In the event that one Unit A Member is absent, the partner will make every reasonable effort to cover the class. On such days, the substituting partner shall either be paid substitute rate or granted compensatory time. If this is not possible a substitute will be hired.
- e. The partner Unit A Members shall be entitled to all the rights and privileges of other Unit A members subject to the following: Where applicable, benefits shall be prorated (e.g. each Unit A Member shall receive one-half of his/her salary, sick days and personal days).
